- **Bitter Facts about The Congress Paid Media:** Why are a few English TV channels and papers against Mr Modi? More than 2700 Congress stooges were living happily in the government quarters in the posh Lutyen's area in Delhi, which they were not entitled to under any rule. After assuming power Modi government has evicted 1285 of them, some of them forcibly! Among them 27 are top paid journalists! Now you know why they cannot see anything good in Modi! Most of the 'award wapas' group and intolerant gang too are in this squatters group! Still another 1200 are yet to be evicted. Of the higher end type VIII grade houses congress had its monopoly. They returned only 10 of them. The government had sent home 89 others. As the cleaning drive takes place, you can expect more and more manufactured news against Modi.
- **Centre sends more troops as situation remains tensed in Valley:** Curfew-like restrictions continued for the fourth day in parts of Kashmir following killing of five persons in security forces action since Tuesday, even as mobile Internet services have been snapped across the Valley. - **Govt to simplify citizenship procedures for Hindus from Pakistan:** The government on Sunday announced that it proposes to simplify procedures for grant of Indian citizenship to minority Hindus from Pakistan. ([http://www.hindustantimes.com/india/govt-to-simplify-citizenship-procedures-for-hindus-from-pakistan/story-Msq4JIFhDPKjs2X9EuyLO.html?utm\\_source=facebook&utm\\_medium=fbpost&utm\\_campaign=india](http://www.hindustantimes.com/india/govt-to-simplify-citizenship-procedures-for-hindus-from-pakistan/story-Msq4JIFhDPKjs2X9EuyLO.html?utm_source=facebook&utm_medium=fbpost&utm_campaign=india))

**Comments by Chelvapilla Gunupati:** All Hindus caught in Pakistan and Bangladesh for no fault of their own should get Indian citizenship automatically, rather than wait this long thanks to 'sicular' Congress rule along with their cohorts all this time. Any ways, better late than never! For this welcome measure we must thank present government. Otherwise Hindus of erstwhile India, now called Pakistan would still be in limbo so will be Hindus of Bangladesh. Hope more relief measures will be provided to a long suffering segment of humanity which is our own. Hope also that young among them now after becoming citizens of India will become soldiers. That was how Hindus of India originated Sikhism which in due course became sword arm of India.

**Our soldiers are orphans, they are "ordered" to "kill" the enemy; and they are expected to do it peacefully.**

**Some politicians consider the Army as a gang of murderers.**

**Our soldiers are no less pious; they are more interested in getting martyred than to kill the enemy (we see this in Kashmir almost every day).**
